Consider a motion and vote to place as an action item on the September 15, 2014 City Council meeting agenda a proposal to adopt a tax rate of .770819 per \$100 assessed property values for the 2014-2015 fiscal year, and to schedule two public hearings to be held on August 18, 2014 at 7:30 p.m. and September 2, 2014 at 7:30 p.m. at City of Sachse City Hall, 3815-B Sachse Road, Sachse, Texas.

Executive Summary

City Council should adopt a tax rate that will, at a minimum, support the operations and cover the debt obligations of the City for the 2014-2015 fiscal year. The proposed tax rate in the amount of .770819 per \$100 of assessed property values accomplishes this. The tax rate exceeds the Effective Tax rate as determined by the Dallas County Tax Assessor/Collector; therefore, public hearings must be scheduled and the public notified.

Consider an Ordinance of the City Council of the City of Sachse, Texas, amending the Code of Ordinances by amending Chapter 10 "Utilities" by amending Section 10-1 titled "Water service fees," by amending Section 10-2 titled "Sewer service fees," by amending Section 10-3 titled "Water and sewer service billing procedures," and by amending Section 10-4 titled "Requirements for water and sewer service," by providing for fees under the Master Fee Schedule; providing a repealing clause; providing a severability clause; providing a savings clause; providing for a penalty or fine not to exceed the sum of two thousand dollars (\$2,000.00) for each offense; and providing for an effective date.

Executive Summary

Economists.com recently completed a rate study and financial forecast for the City of Sachse Utility Fund. The findings recommend a series of annual rate adjustments for five years. Chapter 10 "Utilities" of the Code of Ordinances previously included specific rate information which became outdated when adjustments were necessary. The amendments proposed involve moving rate information to the Master Fee Schedule and a few grammatical clarifications of policy. There will be a separate action adopting the Master Fee Schedule with the proposed five year rate plan.

Executive Summary

Discussion of proposed utility rate adjustments has been included in the past three City Council meeting agendas. Because the proposed rates involve annual adjustments, staff has recommended removing the actual charges and rates from the body of the Ordinance and including as a section of the master fee schedule.

**REGULAR MEETING
OF THE
CITY COUNCIL OF THE CITY OF SACHSE**

JULY 21, 2014

The City Council of the City of Sachse held a Regular Meeting on Monday, July 21, 2014 at 7:30 p.m. at the Sachse City Hall after proper notice. The roll of the duly constituted City Council Members was called which members are as follows, to wit:

Mayor Mike Felix
Mayor Pro Tem Jeff Bickerstaff
Councilman Charles Ross
Councilman Brett Franks
Councilman Paul Watkins
Councilman Cullen King
Councilman Bill Adams

and all were present.

Staff present: City Manager Billy George, City Secretary Terry Smith, Administrative Assistant Cathy Cade, Community Development Director Dan McGinn, Building Official Michael Spencer, Police Chief Dennis Veach, Human Resources Manager Stacy Buckley, Parks and Recreation Director Lance Whitworth, Library Manager Mignon Morse, City Engineer Greg Peters, Public Works Director Joe Crase, Fire Chief Rick Coleman, and Finance Director Teresa Savage.

Invocation and Pledge of Allegiance to U.S. and Texas Flags:

The invocation was offered by Councilman Franks and the pledges were led by Boy Scout Troop 100.

1. Consent Agenda:

Corrine Smith 4008 Blossom, requested to remove 14-2326 for discussion.

Councilman King moved to approve the Consent Agenda consisting of: 14-2317 Consider approval of the minutes of the July 7, 2014, regular meeting; 14-2318 Consider acceptance of the resignation of Stephen Klash from the Board of Adjustments; and 14-2316 Resolution No. 3596 of the City Council of the City of Sachse, approving purchase orders in the amount not to exceed thirty two thousand dollars (\$32,000.00) to GT Construction, Incorporated for concrete sidewalk and parking improvements at Firefighters Park; and providing an effective date, as a Consent Agenda Item. The motion was seconded by Mayor Pro Tem Bickerstaff and passed unanimously.

14-2326 Consider a resolution of the City Council of the City of Sachse, Texas approving the Agreement of Cooperation with Dallas County for the administration of the CDBG and HOME programs for fiscal years 2015, 2016 and 2017; authorizing its execution by the Mayor; and providing an effective date:

Corrine Smith 4008 Blossom, had questions about the agreement. She wanted to know about the other agencies; collective population; cost analysis for the program; emergency shelters and non-termination. She requested the agreement not be approved.

Patty Jones 6212 Aspen Estates Drive, stated the City could not withdraw from the agreement for 3 years. She wanted to keep Sachse from unnecessary regulations.

Scott Jones 6212 Aspen Estates Drive, stated there was a change in HUD policy last October. These could cause the City costs on zoning and litigation.

M.L. Jackson 5117 Pinnacle Oaks, agreed with the statements by Scott Jones. He recommended the City not approve until investigation of the agreement.

Councilman Adams read the following statement from Rick Loessberg, Dallas County Director of Planning & Development: For at least the last twenty years, cities and counties (including us) that directly receive CDBG funding from HUD have had to conduct what is called an “Analysis of Impediments to Fair Housing” (AI). These AIs are supposed to assess to what degree housing segregation and housing discrimination are taking place within a recipient’s jurisdiction and to identify any factors (whether deliberate or inadvertent) that may be causing any identified segregation/discrimination (factors that jurisdictions are encouraged to look at—and which we have always done in our AI--include the location of governmental services/facilities, local building codes, zoning, minimum lot sizes, etc.).

HUD has been criticized by a number of entities, most noticeably GAO, because it has never promulgated meaningful rules for the conducting of these AIs. For instance, there is no requirement as to how often they should be conducted or what they should contain (there are only “suggestions”). There is also no requirement to submit them to HUD for review or approval.

The proposed rules attempt to remedy these shortcomings. I understand that there may be some concern that HUD is now going to become regularly involved with local zoning decisions, but I do not see them giving HUD the authority to begin reviewing thousands of zoning decisions made by thousands of cities nor do I believe that they would even have the capacity to do so. I believe that cities participating in our CDBG program will not detect any difference as to how its zoning decisions are made or how we comply with any new reporting requirements.

I also understand that some communities may not wish to participate in our CDBG program because of these proposed rules. They may certainly choose this path if they wish, but Sunnyvale’s experience would seem to indicate that this path doesn’t ensure that you still won’t end up in federal court.

Following discussion, Councilman King moved to postpone action, pending staff recommendation. The motion was seconded by Mayor Pro Tem Bickerstaff and carried unanimously.

2. Mayor and City Council Announcements regarding special events, current activities and local achievements:

14-2327 Recognize employees for their service to the City of Sachse.

14-2319 Recognition of service to the City for Mr. Stephen Klash.

Councilman King noted a boy scout completed the work at the Animal Shelter and is on to a memorial bench at Sanford Park.

Mayor Felix noted the upcoming events: July 26th is the Cars under the Stars, Chamber event at the Kroger parking lot and July 31st, at 11:00 a.m. is the summer reading program awards party.

3. Citizen Input:

Jerry Nichols 2005 Portsmouth, Richardson, stated the Senior Awareness Day is August 1st, at the Glanville Center in Garland. It is a free event. He is also a silver-haired Legislator, which is a policy making group for senior citizens.

4. Regular Agenda Items:

14-2290 Conduct a public hearing and consider an Ordinance of the City of Sachse, Texas, amending the Zoning Ordinance and Schedule I Permitted Uses Parking Requirements for Retail Sales / Personal Service Use, as heretofore amended; to grant a change of zoning from a General Commercial (C-2) District to a Planned Development District on an approximately 6.47-acre tract of land, more particularly described in Exhibit "A" and located on the northeast corner of Murphy Road and Blackburn, City of Sachse, Dallas County, Texas; providing for the approval of the Zoning Exhibit attached as Exhibit "B"; providing for the approval of Development Standards attached as Exhibit "C"; providing for the approval of the Zoning Concept Plan approved as Exhibit "D":

Jonathan Vinson, representing the applicant, stated the proposed parking plan is adequate based upon a study that was conducted and asked for approval.

Background

Every quarter, the Finance Department releases a report on the City's finances. The report is divided into two sections: Budget and Investments. The Budget section generally includes revenues and expenditures for the General, Utility, Debt Service, and Special Revenue

Funds as well as a summary of Capital Project expenditures. For fiscal year 2013-14, year-to-date revenues and expenditures have also been included for the newly created funds Impact Fees, Street Maintenance Tax, and Health Insurance.

The Investment Report provides investment activity details for the Money Market, Investment Pool, and Certificate of Deposit accounts. It is the strategy of the City to maintain a high percentage of idle funds invested in safe, secure and liquid investment securities and pooled investment types in accordance with the Public Funds Investment Act (PFIA) and City policy.

Policy Considerations

The PFIA requires that the Investment Officers prepare and submit quarterly a written report of investment transactions for all funds covered by the Investment Policy.

Budgetary Considerations

There are no significant aberrations in the budget that would require budget amendments at this time.

Staff Recommendations

Staff recommends acceptance of the Quarterly Budget and Investment Reports for the quarter ending June 30, 2014 as a Consent Agenda item.

Revenue

- Sales tax revenues through June are at 81% of expected collections, an increase of \$64,380 over prior year.

- Through June, collections for Licenses & Permits have increased \$200,512 over prior year and are at 100% of budget. The market values included in these reports were obtained by Valley View Consulting, L.L.C. from sources believed to be accurate and represent proprietary valuation. Strategy Summary:

The Federal Open Market Committee (FOMC) maintained the Fed Funds target range between 0.00% and 0.25% (actual Fed Funds traded <10 bps). In December, the FOMC began tapering the Quantitative Easing (QE3) program. The monthly purchase amount has been decreased five times (\$10 billion each time) to \$35 billion. A continued, orderly tapering is anticipated as long as economic activity remains moderately positive. First quarter 2014 GDP (originally estimated at -1.0%) was revised to -2.9%. Many full year GDP estimates have since been reduced, including the FOMC who reduced theirs to 2.1-2.3%. Employment data remains positive with new payrolls exceeding 288,000 in June, and upward revisions of the previous two months. The US stock markets touched new highs. Financial institution deposit yields generally provide the best interest earnings opportunity, although spreads to security yields have tightened.

Title

Consider acceptance of the 2014 Certified tax rolls as approved by the Dallas and Collin County Appraisal Districts.

Executive Summary

The City has received the certified 2014 appraisal rolls from Dallas and Collin County Chief Appraisers. Combined taxable values total, \$1,424,592,045.

Background

The City is required to submit the certified appraisal rolls to City Council annually. The Dallas County Appraisal District and Collin County Appraisal District are responsible for determining the appraised values of all properties located in the City of Sachse. These values are certified annually by the Chief Appraisers of Dallas and Collin Central Appraisal District.

Policy Considerations

The appraisal roll taxable value for Collin County was certified at \$535,956,193 and \$888,635,852 for Dallas County for tax year 2014. The total appraisal roll has increased by \$123,965,369 or 9.53% compared to the 2013 taxable value of \$1,300,626,676.

Budgetary Considerations

The final 2014-2015 budget will provide funding for continued operations of the City for the upcoming year.

Staff Recommendations

Staff recommends that the City Council accept the 2014 Certified tax rolls as approved by the Dallas and Collin County Appraisal Districts as a consent agenda item.

I, Bo Daffin, Chief Appraiser for the Collin Central Appraisal District, solemnly swear that the attached is that portion of the Appraisal Records of the Collin Central Appraisal District which lists property taxable by SACHSE CITY but NOT included on the appraisal roll for SACHSE CITY, since these properties are currently under Protest. **NOTE: Please be advised that the property values appearing on the 'Under ARB Review Totals' page in your certified totals packet reflect the current 2014 Market and Taxable Values for the properties Under ARB Review without any Section 26.01(c) adjustments. In order to arrive at the taxable value to use for the effective tax rate calculations for your entity, you will need to use the taxable value from the 'ARB Approved Totals' page, along with the 'Total Value Used' that appears in the Lower Value Used section on the Effective Rate Assumption page. The Total Value Used on the Effective Rate Assumption page is the assessed value Under ARB Review that has been calculated in accordance with Property Tax Code, Section 26.01(c). The 'Grand Totals' page is the combined 'ARB Approved Totals' plus the 'Under ARB Review Totals' – which have not been adjusted. (The formula for calculating the total taxable remaining under protest is as follows: Taxable Value from "ARB Approved Totals" plus Total Value Used from the "Effective Rate Assumptions" Lower Value Used section minus Total Exemptions amount from the "Under ARB Review Totals".)*

Title

Conduct a public hearing and offer recommendation to City Council regarding the consideration of an Ordinance of the City of Sachse, Texas, amending the Comprehensive Zoning Ordinance and Map so as to grant a Special Use Permit for an Automotive Repair, Major Use on an approximately 0.390 acre tract of land located at 6534 Industrial Drive, more particularly described as Lot 6, Block B, Sachse Industrial Park Phase 3, being further described in Exhibit "A", and located in an I-1 Restricted Manufacturing / Warehousing District; providing special conditions; providing for the approval of the Site Plan attached as Exhibit "B".

Executive Summary

The applicant is requesting a Special Use Permit for a Major Automotive Repair use for the

0.390-acre (17,000 square feet) property located at 6534 Industrial Drive. The applicant currently has a Certificate of Occupancy to conduct Minor Automotive Repair Uses.

Background

The 0.390-acre subject property is located at 6534 Industrial Drive and retains a zoning designation of Restricted Manufacturing/Warehousing (I-1) (See Attachment 1 - Aerial Location Map and Attachment 2 - Zoning Identification Map). The property currently has a Certificate of Occupancy for Minor Automotive Repair Uses.

The subject property has following adjacent existing uses:

- Northeast: Developed land located Restricted Manufacturing / Warehousing (I-1) zoning district.
- Southwest: Developed land located Restricted Manufacturing / Warehousing (I-1) zoning district.
- Northwest: Existing Special Use Permits for Major Automotive Repair (Ord. No. 3266 and 3588).
- Southeast: Kansas City Southern Railroad.

Policy Considerations

The applicant is requesting a Special Use Permit (SUP) for a Major Automotive Repair Use for the subject property located at 6534 Industrial Drive.

The SUP request was evaluated in light of the standards set forth in the Zoning Ordinance, specifically with regard to compatibility with surrounding uses. The subject property is located in an industrial park development and is surrounded with like uses. In the past there have been nine other similar Special Use Permits granted for properties within this industrial park.

As part of the SUP review, staff evaluated the proposed Site Plan (see Exhibit B). The Site Plan depicts one existing building being 9,090 square feet (See Attachment 3 for site photo). There is no planned expansion of the building's existing footprint. The applicant will provide a firelane on the subject property, as indicated on the Site Plan in order to maintain fire coverage to all areas of the building. The applicant has constructed an automotive paint booth within the building; however, it is not operational at this time. The automotive paint booth will require a permit and inspections from both the Building Inspection and Fire Departments upon approval of the SUP request. The automotive paint booth is considered a Major Automotive Repair use and would not be permitted without the requested Special Use Permit.

The Site Plan was found to be in conformance with the City's current standards and regulations. It should be noted that the following conditions are included in the Ordinance being considered:

- Outside storage of vehicles under repair shall be prohibited.
- Outside repair of vehicles shall be prohibited.
- A minimum of six (6) striped parking spaces shall be maintained on the site.

- No parking or storage of vehicles shall be permitted outside of designated parking spaces.

Public Notification

Notice of this public hearing was mailed to the property owner and all other property owners within 1,000 feet of the subject property, as indicated by the most recently approved municipal tax roll and as required by Texas Local Government Code and the City of Sachse Code of Ordinances. Mailed notification was sent out on July 3, 2014 to a total of 83 property owners. As of Thursday, July 31, 2014, three responses have been received, two in favor and one in opposition (See Attachment 4).

Budgetary Considerations

None.

Title

Consider a resolution of the City Council of the City of Sachse, Texas approving the Agreement of Cooperation with Dallas County for the administration of the CDBG and HOME programs for fiscal years 2015, 2016 and 2017; authorizing its execution by the Mayor; and providing an effective date.

Executive Summary

This item continues the City's participation in the Community Development Block Grant/HOME Program administered through Dallas County. At the July 21, 2014 City Council meeting, the City Council carried a motion to postpone consideration until a future date.

Background

The City of Sachse has partnered with Dallas County since 1988 to participate in the Community Development Block Grant/HOME Program. Funds from this program must be used to benefit low-to-moderate income areas. In past years, the City has utilized these funds to upgrade water and wastewater utilities and re-construct asphalt paving in qualifying areas. This is a housekeeping item as the agreement must be renewed every three years and is identical to the agreements approved in past years.

This item does not authorize any specific expenditure of funds. It is a 3-year cooperation agreement with Dallas County for participation the CDBG program and, where applicable, the HOME Investment Partnership and Emergency Shelter Grant programs.

Policy Considerations

Passage of this Resolution will continue the annual entitlement the City has benefited from for the past several years.

Budgetary Considerations

Utilizing CDBG funds assists with the costs of constructing qualifying projects.

Staff Recommendations

Staff recommends Council approve a resolution of the City Council of the City of Sachse, Texas approving the Agreement of Cooperation with Dallas County for the administration of the CDBG and HOME programs for fiscal years 2015, 2016 and 2017; authorizing its execution by the Mayor; and providing an effective date.

DALLAS COUNTY
COMMISSIONERS COURT
DEPARTMENT OF PLANNING & DEVELOPMENT

May 28, 2014

Mr. Billy George
City Manager
City of Sachse
5560 Highway 78
Sachse, Texas 75048

Dear Mr. George:

Dallas County's Community Development Block Grant (CDBG) and HOME Program has been in existence since 1988. Because of the participation of cities such as yours, the County and its cities have been able to utilize more than \$60 million in federal assistance that they would not have otherwise received. These funds have been used to fund such projects as road reconstruction, water/sewer installation, park improvements, code enforcement, down-payment assistance, and housing reconstruction.

In order to receive this funding, which must principally be used to benefit low-to-moderate income people, HUD requires the County and all interested cities with populations of less than 50,000 people to enter into a cooperative agreement for three years. As the current agreement between the City of Sachse and the County will expire on September 30, 2014, it is necessary to enter into a new agreement if our two entities are to remain eligible for this program.

A copy of such an agreement is enclosed. It is identical to the last agreement that the County and the City signed. We will continue to have the CDBG program be as responsive and as flexible as possible and to have much of the administrative responsibility carried by the County. Please also note that if the City chooses to participate in the County's program, the City, per federal law, cannot seek to receive funding from the State's program.

So that all required application materials can be forwarded to HUD, we are asking that these cooperative agreements be executed and returned to Kim D. Nobles, the County's Community Development Financial Administrator, Planning & Development, 411 Elm Street, 3rd floor, Dallas, TX 75202-3374 before July 15, 2014. Please be sure to include a copy of the authorization resolution and the minutes from the council meeting in which this item was approved. Also, if your City has any questions about the agreement or the CDBG program, please do not hesitate to contact either Ms. Nobles at (214) 653-6368 or myself.

We greatly appreciate the City of Sachse's previous participation in the CDBG program, and we look forward to working with you still further.

Sincerely,

WHEREAS, Texas cities and counties are authorized under Chapter 791, Government Code, to enter into cooperative agreements with one another.

NOW, THEREFORE, BE IT RESOLVED THAT:

The City of Sachse (City) supports the efforts of County to qualify for the Urban County CDBG program and asks that its population be included in such a program beginning for Federal Fiscal Years 2015, 2016 and 2017.

This agreement covers the CDBG entitlement program and when applicable, the HOME Investment Partnership and Emergency Shelter Grant (ESG) programs.

This agreement remains in effect until the CDBG (HOME and ESG, where applicable) funds and program income received with respect to the three-year qualification period are expended and the funded activities completed, and that the County and City may not terminate or withdraw from the agreement while the agreement remains in effect.

The City understands that by executing the CDBG cooperation agreement it:

1. May not apply for grants from under the Small Cities or State CDBG Program from appropriations for fiscal years during the period in which it is participating in the Urban County CDBG program; and
2. May receive a formula allocation under the HOME program only through the Urban County. May not participate in a HOME consortium except through the Urban County, may not form a HOME consortium with other local governments regardless, of whether the Urban County received a HOME formula allocation.

3. May receive a formula allocation under the ESG Program only through the Urban County.

County and the City agree to cooperate to undertake, or assist in undertaking, community renewal and lower income housing assistance activities, specifically urban renewal and publicly assisted housing.

County and the City shall take all actions necessary to assure compliance with the Urban County's certification required by Section 104(b) of the Title I of the Housing and Community Development Act of 1974, as amended, regarding Title VI of the Civil Rights Act of 1964, the Fair Housing Act and affirmatively furthering fair housing Title VIII of the Civil Rights Act of 1968 and other applicable laws;

County and the City shall take all actions necessary to assure compliance with section 109 of Title I of the Housing and Community Development Act of 1974, Section 504 of the Rehabilitation Act of 1973 and the Age Discrimination Act of 1975;

County and City understand that Urban County funding will not be provided for activities, in or in support of any cooperating unit of general local government that does not affirmatively further fair housing within its own jurisdiction or that impedes the County's actions to comply with the County's fair housing certifications;

The City understands, that in accordance with 24 CFR 570.501(b) and 570.503, (which requires a written agreement), it shall be subject to the same administrative requirements as a sub-recipient should it receive funding under this program;

The City agrees to inform County of any income generated by the expenditure of CDBG/HOME and ESG funds received, and that any such program income must be paid to the county to be used for eligible activities in accordance with all ESG, HOME and Community Development Block Grant requirements;

County is responsible for monitoring and reporting to the U.S. Department of Housing and Urban Development on the use of any such program income, and that in the event of close-out or change in status of the City, any program income that is on hand or received subsequent to the close-out or change in status shall be paid to the County;

The City agrees to notify County of any modification or change in the use of the real property from that planned at the time of acquisition or improvement, including disposition, and further agrees to reimburse the County in an amount equal to the current fair market value (less any portion thereof attributable to expenditure of non-CDBG/HOME and ESG funds) for property acquired or improved with CDBG/HOME and ESG funds that is sold or transferred for a use which does not qualify under the CDBG/HOME and ESG regulations;

Any money generated from the disposition or transfer of property will be treated as program income and returned to the County prior to, or subsequent to, the close-out, change of status, or termination of this cooperative agreement between County and the City.

The City understands that it may not sell, trade, or otherwise transfer all or any portion of such funds to another such metropolitan city, urban county, unit of general local government, or Indian tribe, or insular area that directly or indirectly receives CDBG funds in exchange for any other funds, credits or non-Federal considerations, but must use such funds for activities eligible under Title I of the Act;

County shall notify the City in writing, by the date specified in HUD's urban county qualification notice for the next qualification period, of its right not to participate;

The City has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations;
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within jurisdictions.

The City understands that County will have final responsibility for administering the CDBG/HOME and ESG programs, selecting CDBG/HOME and ESG projects and filing annual grant requests; and

The Mayor of the City is authorized to sign any additional forms, on behalf of the City, that the U.S. Department of Housing and Urban Development may require.

Title

Conduct a public hearing and consider the application of Woodbridge Montessori School requesting a variance from the Code of Ordinances, Chapter 3, Building Regulations, Section 3-10.C(4) to permit an advertising sign, for the property generally located on the northwest side of SH78/KCS Railroad, and on the south side of Ranch Road adjacent to the SH78/KCS Railroad rights-of-way.

Executive Summary

A sign variance is being requested by the property owner to permit a general business -style sign to be constructed at an off-premise location.

Background

The subject property associated with the variance request is generally located on the northwest side of SH78/KCS Railroad, and on the south side of Ranch Road adjacent to the SH78/KCS Railroad rights-of-way (See Attachment 1 - Location Map). The subject property retains a zoning designation of PD-19 and is located within the Commercial Tract C-1 of this

planned development (See Attachment 2 - Zoning Identification Map). The subject property is currently undeveloped.

The applicant plans to construct an on-premise General Business sign at the location of the school along Ranch Road but is seeking this variance so an additional sign can be placed approximately 900 feet away along State Highway 78. The applicant is requesting that the sign be allowed to stay up for seven (7) months to advertise the opening of the new facility.

Current regulations permit the applicant to install an on-premise General Business Sign to be constructed as a Monument Sign. The sign would be permitted to be a maximum of 20 feet in height above grade. The General Business sign would be permitted a maximum sign area of 60 square feet. The additional sign proposed off-premise at the corner of Ranch Road and State Highway 78 is not permitted per the sign ordinance regulations without a variance.

The applicant (Woodbridge Montessori School) is requesting to construct a sign with a height of 8 feet and sign area of 32 square feet for the off-site location. The sign would be constructed on a wood frame with an aluminum sign face. The sign would be similar in design to a development sign advertising a new residential subdivision (See Attachment 3. Sign Elevation).

Policy Considerations

Pursuant to Chapter 3, Section 3-10.B(15) of the Code of Ordinances, the applicant is required to provide the following application information:

- Name, address and telephone number of the applicant.
- Location of building, structure or lot to which or upon which the sign(s) is to be attached or erected.
- Position of the sign(s) in relation to nearby buildings or structures, including other signs.
- The zoning classification of the property on which the sign(s) is to be located. Also the zoning classification of all property within 250 feet of the sign(s) location.
- The specific variation(s) requested and the reasons and justification for such requests.
- Ten copies of the signage and site plans shall be required.

Staff has reviewed the information provided by the applicant in light of the aforementioned criteria set forth in the Code of Ordinances. In addition, the applicant has provided a Letter of Intent explaining their justification for the requested variance (See Attachment 4 for the Letter of Intent provided by the applicant).

Sign:

The proposed location of the development-style sign would cause the sign to be considered an off-premise advertising sign for the Woodbridge Montessori School. This is based on the below definition from the Code of Ordinances.

Sign, advertising is any sign which promotes or advertises commodities or services not limited to being offered on the premises on which such signs are located.

Variance Summary

Based on the applicant's request, a variance from the following section of the Code of Ordinances will be required.

Section 3-10.C(4). Advertising signs. No advertising signs allowed except by variance granted by the city council.

Variance #1: Permit an advertising sign to be located off-premise.

Conclusion

It is staff's opinion that allowing general business signs to be located off-premise may create the perception to other businesses located off of major traffic corridors to seek the same opportunities. Most businesses seek to enhance their exposure through the use of signage but the city must seek to find a balance of protecting and enhancing the beautification of the major travel corridors versus the advertising desires of the local businesses. Allowing businesses to locate advertising signs off-premise could potentially create issues with sign proliferation along the major thoroughfares.

A variance is the only means by which this off-premise advertising sign could be approved.

It should be noted that when evaluating variance requests, the City of Sachse Code of Ordinances does not contemplate financial hardship as a means of justification for a variance; variances are considered based upon the physical characteristics of the site and the resultant hardship that may be imposed. Therefore, the discussion in the Conclusion sections below as well as staff's recommendation does not consider financial hardship as a factor.

Budgetary Considerations

None.

Staff Recommendations

Staff recommends denial of the application by Woodbridge Montessori School requesting a variance from the Code of Ordinances, Chapter 3, Building Regulations, Section 3-10.C(4) to permit an advertising sign, for the property generally located on the northwest side of SH78/KCS Railroad, and on the south side of Ranch Road adjacent to the SH78/KCS Railroad rights-of-way.

LETTER OF INTENT

Re: Application for Sign Variance by Woodbridge Property LLC and Little Genius of LLC

City of Sachse
Planning and Zoning Department,
Sachse, TX 75048

The letter is written to provide the explicit statement as to the nature and variance requested. Little Genius of Texas LLC, a Texas limited Liability company is the owners of two tracts of land situated in the James Cumba Survey, Abstract Number 243, City of Sachse, Collin County, Texas, and being a part of a called 25.043 acre tract of land conveyed to Big-Tex Development Corporation by deed recorded in volume 578, Page 335, Deed records, Collin County, Texas, same tract of land conveyed to Little Genius of Texas, LLC a Texas Limited Liability Company by Special Warranty Deed recorded in instruments No. 20130520000685120, Official public Records, Collin County Texas.

Woodbridge Property LLC, a Texas Limited Liability Company is the owner of a tract of land (Tract number 26) situated in the James Cumba Survey, Abstract Number 243, City of Sachse, Collin County, Texas.

Little Genius of Texas LLC is currently building a Montessori School. The location of the Montessori school is around 1200 ft North West from SH 78 therefore we are facing a hardship in doing Pre-Enrollment. This will adversely impact the success of our venture. We request a variance to allow a temporary sign on Tract 26 (owned by Woodbridge Montessori Academy). The design of the signboard and desired location is attached in Annexure A.

We request that we should be granted permission to erect a temporary 4'x8' sign for seven months. This will ensure the success of our project.

Thanks,

The Multi-Purpose sign must be constructed as a Monument Sign and can be a maximum of 20 feet in height above grade. The Multi-Purpose sign would be permitted a maximum sign area of 100 square feet.

The applicant (Protron Prc., Ltd) is proposing to construct a monument style sign with a height of 20 feet and sign area of 100 square feet. The location of the sign will be approximately 10 feet from the front property line and 30 feet from the side property line (See Attachment 3 and 4- Sign Elevation/ Site Plan).

Policy Considerations

Pursuant to Chapter 3, Section 3-10.B(15) of the Code of Ordinances, the applicant is required to provide the following application information:

- Name, address and telephone number of the applicant.
- Location of building, structure or lot to which or upon which the sign(s) is to be attached or erected.
- Position of the sign(s) in relation to nearby buildings or structures, including other signs.
- The zoning classification of the property on which the sign(s) is to be located. Also the zoning classification of all property within 250 feet of the sign(s) location.
- The specific variation(s) requested and the reasons and justification for such requests.
- Ten copies of the signage and site plans shall be required.

Staff has reviewed the information provided by the applicant in light of the aforementioned criteria set forth in the Code of Ordinances. In addition, the applicant has provided a Letter of Intent explaining their justification for the requested variance (See Attachment 5 for the Letter of Intent provided by the applicant).

Sign

The Multi-Purpose style sign would be constructed as a monument sign and meet all of the other requirements per Table 1. General Sign Provisions within Chapter 3. Building Regulations.

Based on the definition of a Monument Sign in the Code of Ordinances (see below), this sign

would be a monument sign.

Sign, Monument is any sign having a low profile, either made of or contained within stone, concrete, metal, brick or similar material and having a stone, brick or masonry base concealing all supports or poles.

Variance Summary

Based on the applicant's request, a variance from the following section of the Code of Ordinances will be required.

Section 3-10. Table 1. General Sign Provisions . All Multi-Purpose signs must be located beyond the 30 foot front yard setback.

Variance #1: Permit a Multi-Purpose sign to be located within the required setback area.

Conclusion

The subject property is extremely narrow for a commercial development and the location of the existing building severely limits the potential areas where a sign could be constructed. The lot is approximately 70 feet wide and within this lot width you have a driveway aisle, parking space stall, and building at the 30 foot setback area and beyond (See Attachment 4, Site Plan). The existing building was constructed at the required 25 foot setback from the front property line. The only location for the sign beyond the 30 foot setback meeting the requirements of the ordinance would be to locate the sign within one of the parking space stalls. This location however would eliminate at least one parking space and not be visible to traffic heading southwest along State Highway 78, as it would be obstructed by the existing building.

The applicant is seeking to locate the sign within the grassy area in front of the building. The proposed location would not obstruct any existing parking spaces or drive aisles on the property. This location would provide sign visibility to traffic heading in both directions along State Highway 78.

A variance is the only means by which this Multi-Purpose advertising sign could be approved at the proposed location.

It should be noted that when evaluating variance requests, the City of Sachse Code of Ordinances does not contemplate financial hardship as a means of justification for a variance; variances are considered based upon the physical characteristics of the site and

the resultant hardship that may be imposed. Therefore, the discussion in the Conclusion sections above as well as staff's recommendation does not consider financial hardship as a factor.

Budgetary Considerations

None.

Staff Recommendations

Given the existing conditions of the lot and location of the existing building, staff recommends approval of the application by Protron Prc., Ltd requesting a variance from the Code of Ordinances, Chapter 3, Building Regulations, Section 3-10. Table 1. General Sign Provisions to permit a multi-purpose sign, for the property generally located on the south side of State Highway 78 just west of Salmon Street.

File #: 14-2338 **Version:** 1 **Name:** Record Vote on Proposed Tax Rate for 2014-2015 Fiscal Year
Type: Agenda Item **Status:** Agenda Ready
File created: 7/24/2014 **In control:** City Council
On agenda: 8/4/2014 **Final action:**

Title: Consider a motion and vote to place as an action item on the September 15, 2014 City Council meeting agenda a proposal to adopt a tax rate of .770819 per \$100 assessed property values for the 2014-2015 fiscal year, and to schedule two public hearings to be held on August 18, 2014 at 7:30 p.m. and September 2, 2014 at 7:30 p.m. at City of Sachse City Hall, 3815-B Sachse Road, Sachse, Texas.

Executive Summary

City Council should adopt a tax rate that will, at a minimum, support the operations and cover the debt obligations of the City for the 2014-2015 fiscal year. The proposed tax rate in the amount of .770819 per \$100 of assessed property values accomplishes this. The tax rate exceeds the Effective Tax rate as determined by the Dallas County Tax Assessor/Collector; therefore, public hearings must be scheduled and the public notified.

Title

Consider a motion and vote to place as an action item on the September 15, 2014 City Council meeting agenda a proposal to adopt a tax rate of .770819 per \$100 assessed property values for the 2014-2015 fiscal year, and to schedule two public hearings to be held on August 18, 2014 at 7:30 p.m. and September 2, 2014 at 7:30 p.m. at City of Sachse City Hall, 3815-B Sachse Road, Sachse, Texas.

Executive Summary

City Council should adopt a tax rate that will, at a minimum, support the operations and cover the debt obligations of the City for the 2014-2015 fiscal year. The proposed tax rate in the amount of .770819 per \$100 of assessed property values accomplishes this. The tax rate exceeds the Effective Tax rate as determined by the Dallas County Tax Assessor/Collector; therefore, public hearings must be scheduled and the public notified.

Background

When a proposed tax rate exceeds the rollback or the effective tax rate, whichever is lower, a vote to place a proposal to adopt the rate on the agenda of a future meeting as an action item is required. This vote must be recorded, the proposal must specify the desired rate, two

public hearings must be scheduled and the public notified regarding the dates, times, and place for the hearings.

Policy Considerations

The City of Sachse Fiscal and Budgetary Policy states that the debt to operations component of the tax rate should not exceed 30%. The proposed rate of .770819 is comprised of a Maintenance and Operations(M&O) rate of .559034 and an Interest and Sinking(I&S) rate of .211785 for a ratio of 72.5% to 27.5%.

Budgetary Considerations

City Council will need to consider setting and adopting a tax rate on a future agenda that supports the overall budget objectives as proposed for the 2014-2015 fiscal year.

Staff Recommendations

Staff recommends the City Council vote to place a proposal to adopt a tax rate of \$.770819 per \$100 of assessed property values for the 2014-2015 fiscal year as an action item on the September 15, 2014 City Council meeting agenda and schedule two public hearings to be held August 18, 2014 at 7:30 p.m. and September 2, 2014 at 7:30 p.m. at City of Sachse City Hall, 3815-B Sachse Road, Sachse, Texas.

Notice of Public Hearing on Tax Increase

The City of Sachse will hold two public hearings on a proposal to increase total tax revenues from properties on the tax roll in the preceding tax year by 7.27 percent (percentage by which proposed tax rate exceeds lower of rollback tax rate or effective tax calculated under Chapter 26, Tax Code). Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property and the tax rate that is adopted.

The first public hearing will be held on August 18, 2014 at 7:30 p.m. at City of Sachse, City Hall, 3815-B Sachse Road, Sachse, Texas.

The second public hearing will be held on September 2, 2014 at 7:30 p.m. at City of Sachse, City Hall, 3815-B Sachse Road, Sachse, Texas.

The members of the governing body voted on the proposal to consider the tax increase as follows:

FOR:

AGAINST:

The average taxable value of a residence homestead in City of Sachse last year was \$169,008. Based on last year's tax rate of \$0.770819 per \$100 of taxable value, the amount of taxes imposed last year on the average home was \$1,303.

The average taxable value of a residence homestead in City of Sachse this year is \$177,186. If the governing body adopts the effective tax rate for this year of \$0.718590 per \$100 of taxable value, the amount of taxes imposed this year on the average home would be \$1,273.

If the governing body adopts the proposed tax rate of \$0.770819 per \$100 of taxable value, the amount of taxes imposed this year on the average home would be \$1,366.

Members of the public are encouraged to attend the hearings and express their views.

Title: Consider an Ordinance of the City Council of the City of Sachse, Texas, amending the Code of Ordinances by amending Chapter 10 "Utilities" by amending Section 10-1 titled "Water service fees," by amending Section 10-2 titled "Sewer service fees," by amending Section 10-3 titled "Water and sewer service billing procedures," and by amending Section 10-4 titled "Requirements for water and sewer service," by providing for fees under the Master Fee Schedule; providing a repealing clause; providing a severability clause; providing a savings clause; providing for a penalty or fine not to exceed the sum of two thousand dollars (\$2,000.00) for each offense; and providing for an effective date.

Executive Summary

Economists.com recently completed a rate study and financial forecast for the City of Sachse Utility Fund. The findings recommend a series of annual rate adjustments for five years. Chapter 10 "Utilities" of the Code of Ordinances previously included specific rate information which became outdated when adjustments were necessary. The amendments proposed involve moving rate information to the Master Fee Schedule and a few grammatical clarifications of policy. There will be a separate action adopting the Master Fee Schedule with the proposed five year rate plan.

Economists.com recently completed a rate study and financial forecast for the City of Sachse Utility Fund. The findings recommend a series of annual rate adjustments for five years. Chapter 10 "Utilities" of the Code of Ordinances previously included specific rate information which became outdated when adjustments were necessary. The amendments proposed

involve moving rate information to the Master Fee Schedule and a few grammatical clarifications of policy. There will be a separate action adopting the Master Fee Schedule with the proposed five year rate plan.

Background

For the past four years, the only adjustments to the Sachse water and sewer rates have been annual Consumer Price Index based adjustments ranging from 1 to 4%. At the same time, the Utility Fund has had to absorb double digit rate increases for wholesale water cost and dwindling sales due to mandatory watering restrictions. Fiscal Year 2014 projections show expenses over revenues for the Fund of approximately \$230,000. The rate study was undertaken to provide a long-term plan to not only cover operating expenses, but also expansion and rehabilitation projects which will be necessary in the coming years.

Policy Considerations

According to City Charter, Section 3.07 "Powers of the City Council," the City Council may fix and regulate rates and charges of all utilities and public services.

Budgetary Considerations

In order to continue to provide quality water to the residents of Sachse, a rate schedule supporting the operations, maintenance, and expansion of the system is necessary.

Staff Recommendations

Staff recommends approval of an Ordinance of the City Council of the City of Sachse, Texas, amending the Code of Ordinances by amending Chapter 10 "Utilities" by amending Section 10-1 titled "Water service fees," by amending Section 10-2 titled "Sewer service fees," by amending Section 10-3 titled "Water and sewer service billing procedures," and by amending Section 10-4 titled "Requirements for water and service service," by providing for fees under the Master Fee Schedule; providing a repealing clause; providing a severability clause; providing a savings clause; providing for a penalty or fine not to exceed the sum or two thousand dollars (\$2,000.00) for each offense; and providing for an effective date.

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF SACHSE, TEXAS, AMENDING THE CODE OF ORDINANCES BY AMENDING CHAPTER 10, "UTILITIES" BY AMENDING SECTION 10-1 "WATER SERVICE FEES", BY AMENDING SECTION 10-2 "SEWER SERVICE FEES", BY AMENDING SECTION 10-3, "WATER AND SEWER SERVICE BILLING PROCEDURES", AND BY AMENDING SECTION 10-4 "REQUIREMENTS FOR WATER AND SEWER SERVICE" BY PROVIDING FOR FEES UNDER THE MASTER FEE SCHEDULE; PROVIDING A REPEALING CLAUSE; PROVIDING A SEVERABILITY CLAUSE; PROVIDING A SAVINGS CLAUSE; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS (\$2,000.00) FOR EACH OFFENSE; AND PROVIDING FOR AN EFFECTIVE DATE.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SACHSE, TEXAS:

- A. *Water rate schedule.* Each residential, business, and industrial user of the waterworks system shall be charged a monthly rate of the user's consumption and collected by the city from all customers obtaining service from the waterworks system and according to the rate schedule adopted in the Master Fee Schedule.
- B. *Meter deposits.* Meter deposits are established by meter size according to the rate schedule adopted in the Master Fee Schedule:
 - (1) A deposit for an additional water meter at a single address will not be required if the original deposit has been refunded for good pay. If the original deposit has not been refunded, a deposit for each additional meter at a single address will be required.

- (2) Floating deposits which are established by real estate companies and others to keep their properties in service during the time they are showing potential buyers shall be \$150.00 for each five units.
- (3) The deposit may be refunded if the customer's account is determined to be current and in good standing at the end of the initial twelve months of service. The account shall be considered in good standing if during the twelve month period there were no disconnects, no non-sufficient funds (NSF) checks, no more than one late penalty, and the account is current. The refund will be applied to the customer's account.
- (4) A deposit payment is required to reactivate a discontinued service.

Sec. 10-2. Sewer service fees.

The rates and charges for services of the sanitary sewer system of the city shall consist of a base rate for debt service and system depreciation, and a user charge for system operation and maintenance.

- (6) Industrial users who discharge wastes into said sewer system shall pay the capital costs of the capacity of those facilities required to transport and treat such wastes.

Sec. 10-3. Water and sewer service billing procedures.

...

- B. *Failure to pay, loss of service, penalties, reconnect fees, after hours service fees, and tampering fees.*
- (1) Payment is due no later than 20 days following the statement date, at which time the city reserves the right to discontinue water service for failure to pay utility accounts in full. The finance department will review all delinquent accounts and

consider any extenuating circumstances resulting in nonpayment, upon notification by customer.

- (2) Whenever the water service furnished by the city has been disconnected because of the failure to pay, a reconnection charge, a utility deposit and all delinquent charges shall be paid to the city before service is restored.
- (3) There will be a late charge equal to ten percent of the outstanding bill added to a customer's account for payments not received by the close of business on the due date, which is no later than 20 days following the statement date. Such late charge will not exceed \$50.00 for any one statement. Late charges are applied to all outstanding balances carried forward. If the due date falls on a Saturday, Sunday, or legal holiday as declared by the city, bills are due by the close of business on the next regularly scheduled workday. Notices will be mailed to customers who have not paid by the due date; the notice will include the date after which service will be terminated if not paid, and no further notice will be given.
- (4) There will be a disconnect service fee assessed on all accounts disconnected for non-payment as adopted in the Master Fee Schedule. If accounts are reconnected after 4:00 p.m. on a weekday or during the weekend, the city will charge the consumer's account the after hours service fee as adopted in the Master Fee Schedule.
- (5) Tampering fees as adopted in the Master Fee Schedule will be assessed when a customer violates city policy and tampers with the metered service. The amount charged will include the adopted fee plus any damage to city property.

C. *Returned check fees and charges.*

...

- (3) The city will accept only cash, money order, or cashier's checks for consumer accounts that have a history of returned checks and in order to restore service for disconnections for nonpayment.

...

RESOLUTION APPROVING CHANGES TO THE MASTER FEE SCHEDULE
UTILITY RATES AND FEES

AUGUST 4, 2014

OVERVIEW OF CHANGES

- ❑ Current Rates, Rates Effective 10/1/14, and annually through 10/1/2018 will be included.
- ❑ Option 1 is adopting 5 years of rates, Option 2 would be 3 years.
- ❑ Residential Base Fees remain the same for all size meters.
- ❑ Currently all meters 2” and higher have the same base fee—adding base rates for 3”, 4” & 6”.
- ❑ Slight adjustment in meter deposits(\$90 to \$100); adding tiers for meters larger than 2” to better cover the higher replacement cost and larger associated bills.
- ❑ Working copy of fee schedule includes current rates, but they will not be included once the Master Fee Schedule takes effect.
- ❑ Rates included are taken from Rate Study Alternative 2. Revenue projections in the Proposed Budget are based on these rates.
