Title

Discuss Animal Shelter Days and Hours of Operation.

*Executive Summary*

*The Sachse Animal Shelter currently operates seven days a week. Staff desires to discuss with Council as well as receive feedback on changing the operating days and hours of the Animal Shelter.*

Background

The Animal Shelter staff reports that a majority of the walk in traffic on Sundays is from surrounding cities where their shelter is closed. We are one of two shelters in the area that is open on Sunday. The Animal Shelter Advisory committee has reviewed the input from staff and has voted to recommend the change to City Council.

Policy Considerations

Change Animal Shelter days of operation to allow the shelter to be closed to the public on Sundays.

Budgetary Considerations

There is no impact to the budget.

Staff Recommendations

Receive briefing and provide feedback to staff on its recommendation to close on Sundays.
