

**Garbage** – For residential customers, waste is collected in your **BLUE** 95 gallon cart once per week. If you have an alley, your trash will be picked up in the alley. Otherwise you must place your polycart curbside by 7:00 am of your designated trash day. Carts should be placed with lid hinges of cart pointing towards the house.

**Recycling** – Recycling is serviced in your **GREEN** 95 gallon cart every other week, the same day as your trash pickup. Place your recycling cart in the same location as your trash cart. Place carts at least two feet apart from each other.

**Bulky Trash/Brush Items** – Bulky/brush items are collected once per month, limit of 12 cubic yards, during the second Wednesday week of the month, the week in which the second Wednesday of the month falls (except in December) and on the same day as your 95 gallon trash cart is serviced. Please place bulky/brush out front curb side, NOT IN THE ALLEY.
