### **Holiday Package Service**

The Sachse Police Department is excited to offer the police department as a package delivery site for its residents until **December 22**. In an effort to combat package theft, citizens who would normally have packages delivered to their residence may opt to have the packages delivered to the Sachse Police Department instead. A representative of the police department will accept packages and secure them until residents are able to pick up items.

To pick-up packages, residents must provide government issued identification. If package is address to a child, parents must provide proof of guardianship or child identification.

The Sachse Police Department is not responsible for any damaged packages delivered to the department.

There is no charge for this service and it is available to all Sachse residents. Please contact Public Safety Officer Carter at [mcarter@cityofsachse.com](mailto:mcarter@cityofsachse.com) [<mailto:mcarter@cityofsachse.com?subject=Holiday%20Package%20Service>] with any questions.
